- HDMI™ (High Definition Multifunction Interface)
- 3-D Digital Comb Filter
- Audio Power (10W x 2)
- Program Palette™ Presets (Vivid/Standard/Movie/Pro)
- Auto Channel Program
- Sleep Timer

Key Technologies

FD Trinitron® WEGA® Flat Screen FD Trinitron® WEGA® Flat Screen Technology is the basis of Sony's award-winning line of visually flat televisions. The FD Trinitron sets deliver incredible image accuracy, wide viewing angles, outstanding contrast, and corner-to-corner detail. The visually flat FD Trinitron® tube minimizes annoying glare from light sources, which enhances contrast. Detail, corner-to-corner, is rendered more accurately because images aren't distorted by a curved screen. Squares are square, straight lines appear straight, and circles are circular.
