DISCONTINUATION, SELECTED BVM SERIES MONITORS
BULLETIN # 04-0760
PAGE TWO

The BVM-D9 series of field monitors will migrate to an LCD solution – please refer to introduction bulletin number 04-0753 for features and specifications on the LMD-9050.

The BVM (standard definition models) migrate to their multi-format counterparts in the form of the BVM-D series. The BVM-D series has been in the Professional Monitor line-up for a number of years and shares many options with the BVM series.

Any remaining inventory is available on a first come first serve basis.

If you have any questions, please contact your Sony Account Manager.

Good Selling!
