SUBJECT: 2009 "EXTRA CREDIT" - EDUCATION FREQUENT BUYER PROGRAM FOR END USERS
TYPE: END USER REBATE

Effective 01/15/2010: The schedule of eligible models has been changed. Please see the eligible model table on pages 5-11 for model additions and removals.

Effective 10/01/2009: Education end users are no longer required to provide a UPC label when submitting claims for this program. A copy of the purchase invoice is still required. In addition education end users now have 180 days to submit a claim after purchase.

Sony is pleased to extend the Education purchase program called, "Extra Credit" through March 2010.

This is an end user program focused on K- 12 and Higher Education customers. The "Extra Credit" program is an incentive awards program designed to reward K-12 School Districts, Colleges and Universities throughout the United States for frequently purchasing Sony Broadcast and Professional products.

As a reseller you benefit from this program by getting a rebate on select products. Please refer **BULLETIN # 09-0064** entitled, "Extra Credit - 2% Education Rebate Program for Resellers"

Each time a school purchases eligible Sony Broadcast and Professional products from Sony Authorized Resellers or directly from Sony, they will receive points toward the redemption of products at www.sony.com/extracredit

The more money spent during the program period, the more points earned per dollar spent.

Level 1 Honor Roll: Schools earn 1 point for every dollar spent up to \$200,000.

Level 2 Salutatorian: Schools earn 1.25 points for every dollar spent \$200,001 to \$400,000.

Level 3 Valedictorian: Schools earn 1.50 points for every dollar spent over \$400,000.

How Do Schools Register?

Each school must register online at www.sony.com/extracredit to get their schools enrolled in the program. Schools will receive 1,000 points just for registering.

- For K-12 schools the superintendent or principals should enroll, but they may assign a program administrator to assist with all claims.
- For Colleges and Universities, those responsible for purchasing products must enroll and may also assign a program administrator to assist with all claims.

What Happens to Points?

Points are accumulated in online accounts that can be monitored by both Sony and the registered end users. Points are tracked and verified by Sony. Redeemed products are shipped directly to the School by Sony. End users can view their point balances, and redeem their points by logging on to www.sony.com/extracredit. Points are valid for one year from the date the product is purchased; however end users must register the purchase within **180 days** of purchase in order to accumulate points. After one year from date of purchase points will expire.

How Are Points Redeemed?

Points can be redeemed for eligible Sony Broadcast and Professional Products at www.sony.com/extracredit.
